Workshop on Koha

An Open-Source Integrated Library System

May 22-23, 2009

**Venue
Union Christian College
Aluva**

**Jointly Organised by
Department of MCA
Union Christian College
&
NRCFOSS/AU-KBC Centre,
Anna University Chennai**

The Workshop

The interactive workshop is jointly organised by the MCA Department of Union Christian College [U C College], Aluva and NRCFOSS/AU-KBC Centre,Anna University Chennai. The workshop will consist of 4 sessions focussed on Hands on Training in Koha as well as Linux Operating environment. The interactive part of the workshop will have sessions wherein participants will be given a unique chance to get themselves familiarized, module by module with the functions, parameter settings (configuration), etc with the help of the faculty members. The participants will be helped to explore the features of the software themselves.

About Koha

- An open-source Integrated Library System .
- Supports global standards.
- Web-centric architecture
- Provides tremendous freedom for customization.
- All the modules of LMS including Acquisition, Cataloguing, Circulation, OPAC, System Administration, Serial Control, etc is available.
- Web based OPAC system.
- The software is UNICODE compliant.

About the Organisers

Union Christian College

Accredited by NAAC is a premier center of higher learning in South India. The idyllic campus is located close to the banks of River Periyar. The location privileges the campus with the refreshing ambiguity of urban proximity and rural ambience. Union Christian College is the first regular college in kerala to start MCA programme approved by the AICTE.

NRCFOSS/AU-KBC Centre

NRCFOSS,funded by Dept.of Information Technology,Min. of Communications & Information Technology, Govt. of India, and is jointly managed by AU-KBC Research Centre,Anna University, Chennai and Chennai division of C-DAC. NRCFOSS has been contributing for the growth and promotion of FOSS in India.
